Estate Recovery and TEFRA Liens Program

Congress passed a law in 1993 that requires Arizona to collect from the estates of individuals who, at age 55 or older, received Long Term Care (Medicaid) assistance on or after January 1, 1994.

In addition, the law gave Arizona and other states the right to place TEFRA liens, as authorized under 42 U.S.C. §1396p, against the real property of certain permanently institutionalized nursing home members. AHCCCS files liens against property to recover the cost of AHCCCS benefits upon the member's death or the sale or transfer of the property. Liens can be placed against both home and non-homestead property.

For both Estate Recovery and TEFRA liens, the amount AHCCCS seeks to collect is the total amount of AHCCCS costs for that person during the period of time the person was on ALTCS. AHCCCS costs to be recovered include capitation payments, Medicare Part A and B premiums, co-insurance and deductibles, reinsurance, fee for service and any other payments made by AHCCCS. Capitation payments are monthly payments that AHCCCS pays to the Program Contractor to provide medical services.

AHCCCS Estate Recovery and TEFRA lien recovery applies only when a person was age 55 or older when Long Term Care was received and there is no surviving spouse, child under 21 or a blind or totally disabled child.

I acknowledge that my Eligibility Specialist explained both the Estate Recovery program and TEFRA liens during the application interview and that I also received a copy of the Medicaid Assistance Estate Recovery Program brochure. I understand AHCCCSA may collect the cost of my care from my estate, or from my real property.

I give AHCCCS permission to release information to the Medicare intermediary or other insurance carrier for the purpose of determining the payment amount for Medicare covered services and to provide nursing facilities information regarding share of cost and source of income.

If the person applying is a child, I also give AHCCCS permission to release information to the Department of Child Support Enforcement (DCSE) to assist them in obtaining child and/or medical support.
